*"Challenging Minds in a Changing World"*

21<sup>st</sup> March 2024

Dear Parents and Carers,

We have been working closely with the Governors to look at the fees for the extended services that we provide for our families. Sadly, we are no longer able to cover our costs with the current fees. As the cost of services continue to increase by significant percentages, the cost of delivering our service becomes higher.

We understand that our families are also experiencing many of these higher costs making balancing a family budget more challenging and we are keen to not add more financial pressure to our families.

Therefore, we have planned to increase our fees for the paid afternoon session in two stages, with the first being due from 1<sup>st</sup> June 2024 and the second increase in September 2024. Our next fee review will take place for April 2025
