Sad News

Sadly our Nursery guinea pig Queenie died over the Easter Holidays. She had been a bit slower and appeared unwell a few days before she passed away. She was just over 4 years old and she lived a happy life with the children and staff at Blagdon. We will really miss her, but we are thankful for the joy that she gave lots of children and adults over the years.

Important Dates

Thursday 23rd May	Last day of Term 5
Friday 24th May	INSET day - Nursery is closed to all children
27th-31st May	HALF TERM WEEK
Monday 3rd June	First day of Term 6
Tuesday 23rd July	Last day of Term 6
Wednesday 24th July	INSET day - Nursery is closed to all children

Reminders

PLEASE label clothing so we can ensure your child does not lose anything.

Blagdon water bottles are for sale at the office - £3 each
 As the weather is getting warmer can you please ensure your child has a sun hat, a water bottle and is wearing sun cream. Many Thanks

Transition

As we move towards the second part of the Summer Term we are starting to think about preparing some of your children for starting Primary School. Teachers from the school will come in to visit children and we will organise to visit some of the local schools. Mrs Craigie is working hard to organise this and we will let you know of any relevant visits.

Staff Changes

We would like to welcome back Jenna Price who has returned from maternity leave; she will be working across the nursery, but mostly in Apple Tree. We would also like to welcome Carla and Hannah who have joined us as Apprentices. Carla is working in Cherry Tree and Hannah is working in the Willows.

Nursery School Federation

The Federation of Blagdon Nursery, Newbridge Nursery and Caversham Nursery is now official. Mrs Budge is the Executive Head teacher of all three Nursery Schools and as such will not be at Blagdon as much as she was. Miss Jennings will be available to help with any issues that you may have.

Polite Reminder

We are not insured for children to use the climbing frame when there is not a member of staff present; this is clearly displayed on the climbing frame. Can you please ensure that your children do not use it before or after nursery.

Parking

Please
 can you
 ensure

that when you drop off and pick up you park with consideration for the safety of the children and for the access of our neighbours. You should not park on the yellow zig-zags or block the main nursery gates.

Many Thanks
