"Making every moment matter"

Focus Child

Next week your child will be our focus child. Focus children will be observed whilst they are at play to find out more about their interests and how they are progressing.

We value the knowledge and understanding you have of your child and would really appreciate it if you would share this with us so that together we can plan for their future learning and development.

Is there anything significant happening in your child's life at the moment? (Visits, holidays, new pets, family celebrations, etc.)

What has your child achieved recently? (Self-care skills, physical skills, new vocabulary, etc.)

Is there anything your child is struggling with at the moment?

Do you have anything you would like to ask us about your child's progress and development?

We would appreciate it if you could upload any photographs you have taken to accompany this sheet onto your child's Tapestry journal.

Thank you
