

Brighter
Futures for
Children

Is your child 3 or 4-years-old
and receiving funded early
education and childcare?  

If so, your childcare provider may be
able to get extra funding so they can do
even more to support your child. 

They could improve facilities, equipment and the learning
experiences for your child.

Speak to your childcare provider about the **Early Years Pupil
Premium** or visit [readingfis.org](https://www.readingfis.org)
