Staffing Update

Rose Wilkinson who has been a supply EYP for very many years has now retired. She started her career at Blagdon many years ago, so it was lovely that she finished her career here too. We hope that she has a very enjoyable retirement.

Monique Scott has returned from Maternity Leave; she will be working mainly in Cherry Tree and across the nursery too. We are so pleased to have her back!

Wendy Lee will be retiring at the end of this term; she has been working at Blagdon for 12 years. She worked in the Children's Centre, Willows Day Nursery and in the main school. We will really miss her and wish her a long and relaxing retirement.

Photographer

Braiswick our school photographer will be in nursery on Monday 20th June. Make sure you practice your smiles!

End of Term

Our last day of term is Wednesday 20th July and we will be closing at 12pm so that means there will be NO afternoon nursery. The last day of term for afternoon children will therefore be Tuesday 19th July.

Transition to Primary School

We will be working with local schools to facilitate visits from teachers so they can meet children at nursery. This will help the teachers to get to know children and will also ensure that there is a familiar face for your child when they start school. We have contacted all the schools that our children are going to and most of them are coming in to visit.

Each school has their own way of organising the transition to school; some will offer parents' meetings, stay and plays or school visits. They will contact you with the information regarding dates and their processes. You may also find that some schools take longer than others to settle the children in September; any decisions will be made with the children at the centre. If you have any concerns or questions then you are advised to contact the school.

Tapestry

We will continue to add observations of your children throughout this term as normal. If your child is leaving Blagdon this term we will let you know when their learning journal is available for download.

Please continue to add photos and videos to share the exciting things that you do at home.

If you have any issues logging on please contact the office for support.

Fruit Donations

Please can you donate fruit each week if possible; the children have a snack time in the middle of their session and whilst milk and toast is provided we ask that families donate a bag of fruit each week to share with the class. We have been running really low the past few weeks and the children have missed their fruit.
