Goodbye

We would like to say goodbye to so many of our children and families who are moving on to Primary School; it is always hard for us to say goodbye to our children, but we do so knowing that they will have a wonderful time in their new schools and that they will continue to thrive.

Please feel free to pop in to see us in September so we can see your children in their uniform and let us know how they are getting on.

Thank you for all your support throughout the year; it is really appreciated.

Hot Weather

Monday and Tuesday are expected to be extremely hot days and we have been receiving advice from the Local Authority regarding how to keep young children safe.

As I am sure you are aware young children are unable to control their body temperature and are therefore more at risk of developing heat exhaustion.

These are the things we are putting into place;

- Children will not engage in vigorous activity when the temperature is above 30°
- Children will avoid direct sunlight between 11am-3pm. We will stay in shaded areas or inside
- Children will only be allowed outside if they have sun cream on and have a hat - we will keep an eye out for children who are overheating and take their hats off
- There will be lots of water play for the children to engage in; this will help to keep them cool. Please ensure they have changes of clothes as they WILL get wet
- We will ensure that children drink lots of water throughout the day and we will provide ice pops.

Last Day of Term

Our last day of term is **Wednesday 20th July** and we will be closing at **12pm** so that means there will be **NO lunch** and **NO afternoon nursery**. The last day of term for **afternoon children** will therefore be **Tuesday 19th July**.

Tapestry

If your child is leaving for Primary School you will be able to download and save their Tapestry journal. We will text you when it is ready to download and you normally have a couple of weeks to do this before they are deleted.

Goodbye and Good Luck

As you probably saw in our last Newsletter Wendy Lee is retiring next week. She has been part of

the Blagdon team for a very long time and we will really miss her. I would like to take this opportunity to say thank you so much for all your hard work; Blagdon won't be the same without you and we hope that you will continue to stay in touch. We hope that you have a wonderful retirement; you really deserve it.

September Term Dates
