"Challenging Minds in a Changing World"

6th March 2023

Dear Parents and Carers,

I have been working closely with the Governors to try to look at the fees for the extended services we provide. We have not raised these fees for several years but we are no longer able to cover our costs with the current fees. As the cost of services continue to increase by significant percentages, the cost of delivering our service becomes higher.

We understand that our families are also experiencing many of these higher costs making balancing a family budget more challenging and we are keen to not add more financial pressure to our families.

Therefore we have planned to increase our fees for the paid afternoon session in two stages, with the first being due from 1st April 2023 and the second increase in September 2023.

	April 23		Sept 23	
	Per session	Total for 4 days	Per session	Total for 4 days
Afternoon session	£22.50	£90	£25	£100

Thank you in advance for your continued support.

Kind Regards

Joanne Budge
