

Caversham Nursery Pupil Premium Impact tracker 2022 -2023

Income Received 2022- 2023: £10,244.25

Term	Intervention	Cost	Impact																										
Autumn	Additional staff to support children starting nursery - to ensure wellbeing and embed PSED and self-regulation skills.	£3,590	Children have settled quickly into the temporary accommodation nursery and are quickly able to engage with the environment and the learning opportunities available to them. With support children have managed to adapt to the changing (and sometimes difficult) accommodation caused by the flood.																										
Started Autumn - but carried on all year	Bucket time sessions introduced across the setting to support those children who struggle to access the curriculum	£3714 Resources & Contribution to staff costs	Bucket time session are rolled out across the setting - these are targeted and also carried out with larger groups. Listening and attention skills have improved for individual children and they have made progress against their SALT targets.																										
Spring	Living eggs - additional experiences for children who were able to observe and follow the hatching and growing of chicks.	£215	To provide a wide range of experiences for all children to support their understanding of life cycles and living things. To give children wider experiences and to add interest to the curriculum, developing the sense of awe and wonder.																										
Spring	Access to lunch club/ extended services /additional hours in nursery to support particular children and their families.	£420	Support families with providing additional lunches/sessions in nursery to ensure enhance wellbeing within families, particularly those working with other professionals.																										
Summer	Usports - providing physical skills and knowledge delivered by professional coaches to support children's active development, gross motor skills and wellbeing as well as an opportunity to be taught by a professional within their field.	£1890	Building children's self-confidence and abilities to follow instructions. Developing gross and fine motor physical skills particularly for the children who do not have gardens. Upskilling staff -with different ways to teach physical skills.																										
Summer	Interactive theatre	£415																											
Overall	As a result of our daily quality first teaching and the enhancements our EYPP children made exceptional progress as illustrated below.
